

PRESS RELEASE

### CALENDAR OF COMPANY EVENTS 2020

**Rome, 18 March 2020** - Unidata S.p.A., ("the Company" or "Unidata"), a telecommunications company with a strong presence in Rome and the Lazio region and listed on AIM Italia, reports that - in accordance with Article 17 of the AIM Italia issuers' regulations - the calendar of company events scheduled for the year 2020 and approved by the Board of Directors at their meeting on 9 March 2020, is as follows:

DATE	EVENT
30 March 2020	Meeting of the Board of Directors to approve the financial statement and consolidated accounts for the year ending 31 December 2019
29-30 April 2020	Annual General Meeting - first and second convocations - for the approval of the financial statement for the year ending 31 December 2019
30 September 2020	Meeting of the Board of Directors to approve the financial report for the six months to 30 June 2020

Shareholders will be duly informed of any changes to this calendar.

This press release is available at the Italian Stock Exchange (Borsa Italiana), on the "1info" storage platform ([www.1info.it](http://www.1info.it)) and on the company website [www.unidata.it](http://www.unidata.it).

**Unidata S.p.A.** is a telecommunications company with a strong presence in Rome and the Lazio region. It was founded in 1985 by three partners who remain in the company today. With a fibre optics network of more than 2,250 km and constantly expanding, and its own wireless network and data centre, Unidata supplies around 6,500 business, wholesale and residential customers with ultra-broadband wireless connectivity using FTTH (Fibre To The Home) network architecture, wireless connectivity, VoIP telephony, Cloud services and other dedicated solutions, with high levels of reliability and security. Other fields currently in the startup phase are the Internet of Things (IoT), with the development and provision of solutions for the home automation and SMart City markets.

Unidata S.p.A. ISIN code: IT0005338840 (Reuters UD MI - Bloomberg UD IM) is listed in the AIM Italia section of the Italian Stock Exchange.

Information and news about the company are available at [www.unidata.it](http://www.unidata.it)
